उत्थान निरन्तर बना रहे, जड़ता का हो सर्वस्व शमन ।
संघर्षों के दुर्गम पथ पर, आशा की उषा प्रकाश भरे ।
अविरल स्नेह बागेश्वरी का, बन ज्ञान ढाल कल्याण करे ॥

हृदयोद्गार...

जो आपने जलाई थी ज्ञान की मशाल । जलती रहे सदा वो अविरल असंख्य साल ॥
अपनी न थी इमारत, संख्या भी बहुत कम थी, थी आय अल्प लेकिन उत्साह की चरम थी,
अधिकार कर्म केवल फल का नहीं मलाल, जलती रहे ।
सेवा में रहे जब तक उत्साह से पढ़ाया, पुस्तक लिखी गणित की और ज्ञान निधि बढ़ाया,
शिक्षा के क्षेत्र में है किया आपने कमाल, जलती रहे ।
हैं आप कर्म योगी गीता से मिली शिक्षा, आगे कदम बढ़े हैं, मिलती है उच्च शिक्षा,
शिक्षा के क्षेत्र में है सर आप बेमिसाल, जलती रहे ।
लहराया दो जिलों में है ज्ञान का जो परचम 19 शाखाओं के रूप में बढ़ रहे हैं कदम,
शिक्षा प्रसार का है कितना रखा ख्याल, जलती रहे ।
उत्पाद पायनियर के हैं बन चुके वैज्ञानिक, इन्जीनियर चिकित्सक कितने ही श्रेष्ठ कार्मिक,
करते हैं देश सेवा रखा मचा धमाल, जलती रहे ।
इच्छा प्रकाश इसकी, श्री वृद्धि होती जाए, स्वर्णाक्षरों में इसका नित नाम जगमगाए,
प्रतिद्वन्दिता करे जो किसकी है ये मजाल । जलती रहे सदा वो अविरल असंख्य साल ।

We, the Pioneer

**“Education is a powerful weapon
which you can use to change the world”**

- Nelson Mandela

Pioneer stands for perfection, innovation, open-mindedness, nationalism, education, excellence and rejuvenation. At Pioneer, we believe that education is not complete without moral values. Pioneer has continued its tradition of cultivation of moral values along with providing education, shaping the minds and personalities of the young generations. Throughout our journey of providing excellent education, we have improvised and adapted to the changing world yet at the same time we have remained close to our institutional belief.

In the year 1963, Prof. Puran Singh, a true Pioneer and visionary, gave shape to his dream of educating the upcoming generations. Our Manager Sir's dedication and passion led to the establishment of the first ever branch of Pioneer Montessori Schools in Rajendra Nagar, in the year 1963. Started in only two rooms, the institution now has sprawling campuses spread over Lucknow and Barabanki. Pioneer was a small sapling planted by Prof. Puran Singh and it has grown into a flourishing tree which continues to spread its branches. Since its inception, Pioneer has completed 60 years in the field of education and entered into 61th year of the selfless and dedicated educational service of Lucknow & Barabanki. Pioneer family stands firm in 17 branches including one degree college for girls having Science, Commerce & Humanities streams.

To keep up with the changing times our Eldeco branch has completely shifted to CBSE Board from class Nur. to class XII. It is a huge step towards providing quality education and catering to the needs of the guardians, students and the society.

With the vision of providing holistic & globally relevant education, our Jankipuram branch has fully switched over to ICSE/ISC Board. Our Vikas Nagar branch also has now got affiliated to ICSE Board.

At P.M.S., we constantly endeavour to ignite the young minds. We produce citizens who are sensitive, helpful, motivated and concerned. Our students learn to face the tough and competitive world and at the same time, they learn to remain grounded, to never let go of their Indian sanskars. It is true that we ought to change with the growing world, but it is not necessary to shed the old traditions. We instill in them leadership skills, confidence, and constant introspection.

As Plutarch said, “The mind is not a vessel to be filled, but a fire to be kindled”. At Pioneer, we appreciate and enhance the individual talent, helping it grow. Our teachers make use of modern technology with well furnished classrooms and laboratories. We inspire our students to become individuals in thought and action, yet at the same time teaching them the importance of working in a team. We organize various competitions and motivate the students to participate in them. Our students take part in inter-school competitions which help in their overall development.

We conduct various interactive workshops with the role models and achievers. With the help of our well-equipped laboratories and other facilities, we enhance pupil's knowledge. Many of our alumni who are now in respectable positions in the society continue to visit us and motivate our students.

In times, when strange winds of erosion are sweeping our pillars of moral and social values, Pioneer lends a helping hand to safeguard the social and family fabric. For more than five decades, we have been successful in enriching the young minds and producing achievers who strive to transform the society.

Led by Prof. Puran Singh, our guiding beacon, our strength and our motivation, Pioneer has been providing and will continue to provide quality education. Alfred Lord Tennyson once wrote, “to strive, to seek, to find and not to yield”.

Let your child share his dream with us and we will work together to help him achieve it.

MESSAGE from the Principal

P.M.S. is an amalgamation of competent teachers, infrastructure, experienced and efficient administration. With the vision to create a safe and supportive environment for our students we provide a perfect balance of academics, sports, artistic and social opportunities.

PMS has entered into 60th year of the selfless and dedicated educational service of Lucknow & Barabanki. In this enriching journey of excellence we have proudly carried forward the legacy of our Founder Manager Prof. Puran Singh.

My prime concern as a principal is to see the children with happy and enthusiastic faces. I believe in giving the students strong values along with a set of wings, so that they may be equipped to face the challenges of the rapidly changing world.

P.M.S. gives lots of importance to discipline - a core value, encouraging students to develop a sense of responsibility through a well-planned academic schedule, house system, various competitions and sports activities.

In P.M.S. there is strong environment of parental involvement, for we recognize the need of support between the school and the parents. In P.M.S. teachers reach homes of students for better connectivity and to bridge the gap between school and home by the way of home visits.

P.M.S. has always strived hard to impart value based education to cope up with the present demand. We believe in discipline which results in perfection and makes the individual confident, so that our students will also be well in studies and keep up high values, which they have in them.

Our mission is to strive constantly to earn greater heights. The school environment provides a multitude of activities and opportunities for self fulfilment that will challenge and reward the children. Instilling in students values, enabling them to feel the bliss, see the beauty and the grandeur of nature, teaching them to respect one and all and helping them to dream, visualize and plan for their bright future.

I would like to place my sincere thanks to the parents for their co-operation and faith in us. I convey my heartiest gratitude to management for entrusting me with the responsibility of spearheading P.M.S. towards excellence and for their proper guidance and encouragement. I thank all my students, teachers and support staff for their contribution in bringing 2023-2024 to a successful end.

Wishing all of you the very best for 2024-2025,

Mrs. Sharmila Singh
